

CHINATOWN STREET SCENE, SAN FRANCISCO

To spend an evening or day sightseeing in San Francisco's Chinatown will well repay the visitor. Here one may see displays of merchandise in bewildering variety, ever changing and remarkable, not to be seen elsewhere. Small stores and great bazaars welcome you with greatest courtesy. Chinese costumes, schools, telephone exchange, Joss Houses, theatres, restaurants as truly Oriental as though they were in Shanghai or Canton, intrigue you.

GRANT AVENUE, CHINATOWN, SAN FRANCISCO, CALIF.
